Our Annual Spring Fashion Show is Almost Here!

Pretty models, terrific clothes from a source you’ll be glad we’re introducing you to, and all your friends around you to share the fun—what more could a stylish Newcomer want?

I know, we gave it away in our headline: We’re talking about the Austin Newcomers Annual Spring Fashion Show which will be held Wednesday, April 20th at River Place Country Club.

The clothes this year will be provided by Dressbarn, and we think you’re going to find both their clothes and their prices amazingly appealing. Plus, if you see something you love, you’ll be happy to know these trending styles should be available for you in just your size—the store routinely offers petites, misses, and plus sizes in a delicious array of color and style.

Now, there may not have been a Dressbarn in the hometown you came from, so think of this Spring fashion show as just another of the wonderful introductions our Newcomers Club offers to new Austinites. Plus Dressbarn offers five locations around town to make shopping easy wherever you live.

Come join us for fun, friendship, and a wonderful afternoon! One reminder: DON’T make a mistake and head to Green Pastures as usual!!!! Remember this year’s fashion show is at the beautiful River Place Country Club.

Volunteer as a Greeter at our Monthly Meetings

Looking for an easy way to get involved with ANC? We’d love to have your help as a greeter at our monthly luncheons or evening meetings. The job requirements are simple: just arrive a few minutes early, stand near the entry table, and offer a warm smile and a friendly hello as members and guests arrive.

Greeters help our newest members feel welcome and connected—and often, our greeters make new connections themselves. No matter how long you’ve been in Newcomers, taking part in our ‘meet and greet’ is a good way to share your ANC experience.

If you’re willing to be a greeter at an upcoming luncheon or evening meeting, please contact Mary Pat Bolton at: marypatbolton@icloud.com when you register for the event. We appreciate your help!

Letter from the President

Spring has sprung! Seeing trees budding and bluebonnets popping up, one cannot help but give thanks for the renewal of spring and the magnificence of the ever changing work Mother Nature displays. Reminiscing several events I have attended recently, I am struck by how Newcomers continues to amaze with its constant change and variety. It would be easy to get stuck in a rut with book clubs, movie groups and card groups, activities which many members enjoy; but our members always come through with new and different experiences for us to enjoy. These are frequently things we might never do on our own.

On February 16, Twan Brady with her Day Trippers Group organized an incredible trip to Cuero where in the Chisholm Trail Heritage Museum we journeyed back to 1866 and saddled up for the long, dusty ride up the Trail - the 1000 mile journey of men, horses, and Longhorn steers. The museum was chock full of artifacts of the ranching heritage of the Guadalupe Valley and the cowboy style of a golden era. After lunch, we explored the shops of the town which included a wonderful pecan store and one of the best kitchen shops I have ever seen! Thank you Twan.

Hurry up and RSVP for her next trip to “Selah” - Bamberger Ranch Tour on April 5th.

Another very important group in ANC is Hello Austin, a group focusing on special events and outings which members who attended a planning meeting suggested and then volunteered to host. (Mark your calendars for the next Planning Party on May 22nd! Last night we enjoyed a wine and cheese pairing at Antonelli’s - a local store in Hyde Park where cheese mongers get their fix.

The previous Saturday 50 members attended a very special event hosted by Carl and Diane Gallagher. They took Sherry and Chuck Steele up on their invitation to host and lead an evening of learning how to do the Texas Two Step. Donning our best western ware, we all thoroughly enjoyed the very sweet, skilled and patient tutelage of this wonderful couple. We were riveted watching these two former competitive dancers show us how it is done. They were Newcomer members years ago and Sherry, a gifted pen and ink artist, spoke at an ANC luncheon where she shared her art and African travel stories. Thank you Chuck and Sherry!

One last note on Interest Groups, we are seeking a member to lead a sub group of the highly successful Come to Dinner - Bring a Plate group chaired by Iris Groten. This is a group of single women who meet in the house of a rotating fellow member for a meal in which all participate. Please contact Iris should you be willing to chair this group. It has grown by leaps and bounds and we never like to turn members away!

In light of the remodel at Green Pastures, we had our first luncheon in February at an alternate location - Chez Zee. It proved to be a huge success and all who attended were quite pleased. WATCH THE WELCOME MAT each month for the location as they will vary each month. Thank you Susi Spies and Peggy Sklar for working hard to come up with new and exciting venues and speakers. Be sure to mark your calendars for this month’s Fashion Show at River Place Country Club!

Warm Regards,

Jan
Website Tip of the Month – Registering for Events Online

It’s super easy to register and pay for events on the ONLINE CALENDAR. Also there are several other ways to get to the event:

- Click on the event in the Email Bulletin that is sent out weekly by Joy Simon and you will be taken directly to the event.
- You can click on the event in the Upcoming Events listing on the Members Only page of the ANC Website.
- Or you can click on News and EVENTS on the Homepage. Here you will get a scrolling calendar of upcoming events.

Click on the event that you choose. You will see detailed information about the event. If it is in a “public location” meaning it is not something being hosted at a private home – we will include the address and it will have a Google Map for you.

If you decide to register for the event. Click on the Register button.

If you are logged in to your account, it will auto fill the details for you. Please pay attention! If your primary account is a two person household – it will auto fill the first field with that two person name (i.e. Diane and Carl Gallagher). If only one person is registering, you need to change it to whoever is registering for the event.

Continue to complete the registration requirements. If there is payment involved it will ask you for your credit card information. Please rest assured, we are using one of the most secure systems available.

Once you complete the process, we will get it set up so that the Chair of the Interest Group and, if there is one, the Host will get an email saying you’ve registered with the appropriate information.

You should receive a confirmation email stating what you’ve registered for and for how many. Please read the confirmation email and make sure it’s correct.

This is a convenient and efficient way to register for events and pay online! You can now do it from any location. A computer, tablet or cell phone.

Happy Registering!

## Men’s Book Group

**Tuesday, April 26th**

**Place:** Home of Jay Stein  
Spicewood Springs Rd. # 3  

**Book to be discussed:** "In the Kingdom of Ice: The Grand and Terrible Polar Voyage of the USS Jeannette" by Hampton Sides.  

“*In the Kingdom of Ice*” is a brilliant explosion of narrative non-fiction: detailed, moving, harrowing, as gripping as any well paced thriller but a lot more interesting because it is also true. Too often American heroism is presented at one dimensional success against the odds. This is a much more subtle and rewarding book, an account of magnificent disaster, of courage devoted to attempting something that could not be done.  

**Directions:** Take Mopac North and turn onto 183 N. Exit on Spicewood Springs Rd. Exit. Follow Spicewood Springs.  

Please RSVP to: Hector Barrio, Chair:

UT Astronomy Night Viewing, April 6th at 8:00 PM – Roger Seaman and A. E. Martin
Every Wednesday night while UT is in session the astronomy department sponsors free public star parties on the top roof of Robert Lee Moore Hall. The 16 inch telescope was purchased from Group 128 in 1977. It was primarily used for teaching undergraduate astronomy majors the processes involved in modern astronomical observation and for graduate student projects. So in 1997, a grant proposal was approved by the National Science Foundation with matching funds from a generous private donor. In July 1998, the telescope was re-fit with a state-of-the-art mount and new clock drive. The telescope is controlled from a Dell desktop computer using control software called PC-TCS. Once you reach RLM, take the elevators to the 17th floor and then follow the signs to the stairs up to the telescope. Sunset is 7:53 pm on that day. The group meets on top of the roof of Robert Lee Moore Hall, which is located at the southeast corner of Dean Keeton (formerly 26th street) and Speedway. All ages are welcome, but we ask that younger children be under adult supervision at all times. RSVP ONLINE; OR email Roger Seaman at rogerseafarer@yahoo.com or A.E. Martin at aemartin@austin.rr.com.

**Mayfield Park and Nature Preserve** is an island of respite located in the middle of Austin. It is listed in the National Register of Historic Places. This entire estate was presented to the city of Austin in 1971 by Mary Mayfield Gutsch for all Austinites to enjoy as a park. Mayfield Park includes an historic cottage, 2 acres of colorful cottage gardens with towering palm trees, brilliant peacocks and delicate water lilies, all blending in beautiful harmony. The Preserve portion is the 21 acre natural area that surrounds the park, containing our walking trails and wildlife habitat. The trails border an inlet from Lake Austin. This tranquil walk is about one mile and will take less than one hour to explore. After the walk, feel free to walk or drive (optional) next door to explore the grounds of Laguna Gloria – Contemporary Austin Art Museum.  
**Directions:** Take the 35th Street exit off of MoPac and head west. After passing Balcones Drive, prepare to veer to the left at a “Y” in the road. At this point 35th St. turns into Old Bull Creek Road. Look closely for an entrance to the nature preserve on the left soon after the “Y.” We will meet at the Chimney Swift Tower on the edge of the parking lot.
